Communicated to the Deputy Chief Engineer, Southern Circle, who is requested to submit his opinion on the Collector's proposition to increase the discretionary allowance for roads in the Tinnevelly District from Rupees 5,000 to Rupees 15,000 per annum. It is observed that in their orders No. 1,576, dated 19th August 1861, the Government have sanctioned the large sum of Rupees 36,660 for the maintenance of the principal roads in the District, during the current year, and Rupees 51,400 for the same purpose for entry in the Budget of 1862-63. It should be ascertained whether there are any local funds which can be applied to the repair of minor roads in aid of the present discretionary allowance of Rupees 5,000.

2. Colonel Birdwood is also requested to submit the District Engineer's explanation relative to the alleged dilatoriness in the execution of repairs to irrigation works and the consequent delay in letting water to the tanks and channels at the commencement of the cultivating season.
