MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Superintendent of Pensions, Fort Saint George, 4th December 1861, *No.* 2947*; to the Secretary to Government, Military Department, Fort Saint George.*

I have the honor to bring to the notice of Government, that Naigue Vythelingum, No. 2986 of 2nd Class, drawing a Pension of Rupees seven per mensem, is reported in the Muster Roll of the Collector of Tanjore, to be employed as an attender in his Cutcherry on a monthly stipend of Rupees six.

2. The salary of the situation being less than the Pension drawn by the Naigue, it is necessary for me, under the operation of paragraph 71 of the revised Pension Regulations, to solicit the instructions of Government on the case.

With Report of the Controller of Military Finance, 8*th January* 1862, *A.*

ORDER, No. 342, 28*th January* 1862.

The Governor in Council observes that, under the Rule referred to in the foregoing correspondence, the Pensioner in question should be allowed to draw the Civil salary in addition to his Pension—the amount of the former being less than his Pension, and the whole sum not exceeding a fair remuneration for his services.

Paragraph 71, *Section* 11, *Revised Pension Code.*

2. With regard to the proposition made in the 2nd paragraph of the Controller's letter, the Governor in Council is not disposed to sanction alterations in existing Rules to limit in any way the benefits conferred by Government on Native Pensioners. His Excellency being of opinion that it would not be just to place the Pensioner, who has earned his stipend by his service to the State, on the same footing as the Pensioned Heir who derives his Pension from no services of his own.
