Amount Rs. 170 -.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Endorsement of the Acting Deputy Chief Engineer, Central Circle, dated Chepauk, 5th September 1862, No. 38 :—

Read the following letter from Lieutenant-Colonel G. W. WALKER, Acting District Engineer, South Canara, to the Deputy Chief Engineer, Central Circle, dated Mangalore, 13th August 1862, No. 75.

SIR,

I am requested by the Collector to submit for sanction the accompanying estimate of Rupees 160, for inclosing with wooden bars the entire verandah of the Sea Custom at this place, on grounds stated below. It is desirable that the sanction should be received at as early a date as possible in order that the new arrangement may be available for the greater part of the ensuing trading season.

Extract letter from the Acting Collector of South Canara, No. 91 of 9th August 1862.

I noticed during the last trading season that the verandah of the building was usually so thronged by people that it was almost impossible that the business of the Office could be carried on; and as there is, moreover, no warehouse at the Port for the safe custody of goods left in charge of the Custom Officers, it is absolutely necessary that some provision should be made on this account. As I am of opinion that the proposed outlay might be most properly met from the Port funds, I have recommended that the required amount be expended from that source.

(Signed) A. P. HODGSON, *Acting Collector.*

(True Extract.)

(Signed) G. W. WALKER, Lieut.-Colonel.,
Acting District Engineer, South Canara.

Submitted to Government, with a request that the amount may be sanctioned from the General Funds of the South Canara District.

(Signed) E. HEMERY, Captain, R. E.,
Acting Deputy Chief Engineer, Central Circle.

Referred to the Revenue Department.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government, P.W.D.

8th September 1862.

ORDER THEREON, 17th September 1862, No. 2,019.

The work is approved.
