Proceedings of the Madras Government, Public Works Department, 29th September 1862.

No. 500. Read the following letter from Colonel W. I. BIRDWOOD, R. E., Chief Engineer, to the Secretary to Government, Public Works Department, dated Chapauk, 17th September 1862, No. 3,201 :—

SIR,

1. In continuation of my letter No. 2,981, dated 6th September 1862, I have the honor to submit one from the District Engineer Godavery requesting that arrangements may be made for discontinuing the Family Payments of the late Mr. Gutcher, First Class Mechanical Engineer, and for recovering either from his family in England, or from his effects which have been handed over to the Civil Judge at Rajahmundry any over-payments.

1 Letter No. 353, dated 4th September 1862, with two Bills.

2. The adoption of the former course may be difficult, and the latter cannot be followed as the adjustment of the Estate will, I conclude, be left to the Administrator. The best plan therefore will be to instruct the Civil Paymaster to keep in abeyance the Abstracts for arrears of pay herewith forwarded until it can be ascertained from the Home Authorities what sum has been paid to Mr. Gutcher's family since his death on the 24th August 1862, and should this view of the matter be taken by Government, I beg that the requisite orders may be issued and that the Abstracts in question be forwarded to the Civil Paymaster.

Rupees	64	8	3	arrears of salary.
,,	56	13	6	house rent, rations, &c.,
Total...	121	5	9	

No. 501. ORDER THEREON, 29th September 1862, No. 2,324.

The necessary reference will be made to the Secretary of State for ascertaining the amount paid in England since the date of Mr. Gutcher's decease. The Civil Paymaster, to whom the Pay Abstracts received from the Chief Engineer will be transmitted, will defer passing the same pending the receipt of a reply from the Home Authorities.
