*Proceedings of the Madras Government, Public Works Department,
2nd October 1862.*

No. 29. . Read the following letter from Colonel W. I. BIRDWOOD, R. E., Chief Engineer, to the Secretary to Government, Public Works Department, dated Chepauk, 24th September 1862, No. 3,333 :—

SIR,

1 Original letter. 1. The erection of a Bell Tower at the Saint George's Cathedral having been directed to be postponed, I have the honor to solicit, with reference to the accompanying letter,* from the Acting Accountant General, the sanction of Government for the transfer of the amount of its estimate to the credit of the Reserve Fund.

* No. 3,060 of 15th September 1862.
Rupees 4,715 Budget item No. 46.

† Item No. 204.

‡ Vide Proceedings of Government Public Works Department, No. 1,813, dated 30th July 1862.

2. Sanction also is solicited for a similar transfer of Rupees 23,760† being the sum entered in the current Budget allotment for constructing a Grand Junction Canal from Mogultoor to Neelapully as the Government‡ of India have declined to pass the estimates for the work, in the absence of fuller information on the project.

3. I would suggest that similar transactions in future be carried out between this Department and the Accountant General without the necessity for referring the subject specially to Government.

—

No. 30. ORDER THEREON, 2nd October 1862, No. 2,360.

1. The proposition contained in paragraph 1 is approved.
2. With reference to paragraph 2 the Chief Engineer's attention is requested to the Proceedings of Government No. 2,217, dated 17th September 1862.
3. The Government are unable to accede to the recommendation contained in paragraph 3, as it is necessary for the completeness of the books kept in this Department that they should be aware of all transactions in connection with the Reserve Fund.
