*Proceedings of the Madras Government, Public Works Department,
3rd October 1862.*

No. 56. Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, R. E., for Deputy Chief Engineer, Northern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Madras, 19th September 1862, No. 395, G 112 :—

SIR,

1 Letter from the District Engineer, Godavery, No. 520, dated 27th August 1862.

* 1862-63.

1. I have the honor to submit herewith for the information of Government, a letter No. 520, dated 27th August 1862, from the Acting District Engineer of the Godavery, requesting permission to appropriate the sum of Rupees 18,650 out of the Budget allotment* of Rupees 23,760 for the Grand Junction Canal (which work it appears has not been sanctioned by the Government of India), in order that he may have it in his power to complete the Locks and Weirs on the Mundapetta Canal, for which an estimate of Rupees 28,650 was sanctioned in G. O. No. 453, dated 17th March 1862.

2. As it seems highly expedient both for the sake of economy and utility that these works should be completed in one working season, instead of being left in an unfinished state to suffer the risk of weather, and enhancement of building rates, I beg leave to recommend that sanction may be given for the arrangement proposed.

No. 57. ORDER THEREON, 3rd October 1862, No. 2,373.

The Deputy Chief Engineer, Northern Circle, will observe from paragraph 3 of Proceedings dated 17th September 1862, No. 2,217, that the allotment of Rupees 23,760 for the Grand Junction Canal project has been transferred to the credit of the Reserve Fund. The Government have no objection to the full amount of the estimate of Rupees 28,650 for the completion of the Locks and Weirs on the Mundapetta Canal, being expended; but they are not prepared at present to authorize a grant from the Reserve in addition to the sum of Rupees 10,000† now available for the purpose. The work may be executed from the General Funds which will be supplemented, if necessary, at a more advanced period of the year.
