SIR,

1. With reference to G. O. No. 1,854, dated 5th August 1862, I beg to state that having called upon Captain Farewell for his opinion as to the possibility of accommodating the Revenue Survey establishment at Coimbatore in the District Engineer's Office without inconvenience or hindrance to the duty of that Officer he requested* that the question might be deferred till the nomination of an Engineer permanently to the District.

1 Letter from Captain Farewell, No. 172, dated 13th August 1862.
2 Do. from District Engineer, Nos. 117 and 228, dated 8th September 1862.
2 Telegrams dated 11th and 11th September 1862.

* No. 172, dated 13th August 1862.

2. Colonel Faber having been appointed, has now represented that at present the arrangement desired by Major Priestley is not practicable, and as I think the former Officer in his communication herewith submitted,† has shown sufficient reason for this opinion, I trust Government will permit matters to remain as they are at present, until the Government stores and property are cleared out of the cotton buildings, when ulterior arrangements can be considered.

ORDER THEREON, 26th September 1862, No. 2,315.
