No. 63. ORDER THEREON, 3rd October 1862, No. 2,376.

As the monsoon is close at hand, and as it is of importance that the proposed changes in the system of executing Public Works should be tried, partially at least this year, the Government request that the Board of Revenue will be so good as to submit *at once* arrangements for two or three Districts, where they find the change will be most easy, leaving their report about the other Districts to follow.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

My dear Ogilvy,

It will be well I think, to send the Board a reminder about submitting arrangements for carrying out the D.P.W. scheme of restoring the tanks by Collection. The Honorary Secretaryship is close at hand & it is of importance to try the experiment, partially at least, this year.

I would suggest that the Board should be invited

to submit at all as-
-engements for 2 nd
Districts, where the full
the change will be most
their
very, leaving the other
effect shall the other
Districts to follow.

Yours very truly
