Proceedings of the Madras Government, Public Works Department, 4th October 1862.

No. 68. Read the following letter from Lieutenant-Colonel J. CARPENDALE, R. E., Superintendent and Controller of the Pier Works, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 29th September 1862 :—

SIR,

I have the honor to acknowledge Order of Government No. 2,272 of 22nd September 1862, regarding the supply of certain articles required for the junction of the Pier with the Custom House. It appears to me that Lieutenant-Colonel Hitchins' letter recorded in that Order was erroneously written by him as Superintendent and Controller of the Pier Works, for the junction works are in charge of the Presidency District Engineer, as directed in the Order as per margin. I have therefore communicated the first named Order to the Presidency District Engineer and do not purpose interfering in the matter.

No. 1,475, dated 25th June 1862.

No. 69. ORDER THEREON, 4th October 1862, No. 2,378.

Ordered to be recorded.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
