Proceedings of the Madras Government, Public Works Department, 7th October 1862.

No. 104. Read the following letter from Lieutenant-Colonel J. CARPENDALE, R. E., Superintendent and Controller of the Pier Works, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 30th September 1862 :—

SIR,

Referring to Order of Government No. 2,224, 17th September 1862, I have the honor to inform you that Mr. Kennedy has brought to my notice, that, in the examination of the cranes on the Pier which he and Mr. W. B. Wright are about to make, some assistance in skilled and unskilled labor will be requisite, that the cost thereof will be small, and that Mr. Wright will supply it from the Railway workshops, if his bill will be paid. As it is desirable the cranes should be examined and tested as soon as possible, I replied in the affirmative and now request that the District Engineer may be authorized to pay the amount on the bill bearing my countersignature, to be charged as Government may direct, to Repairs or to the Revenues of the Pier.

No. 105. ORDER THEREON, 7th October 1862, No. 2,396.

The Acting Deputy Chief Engineer, Central Circle, is requested to issue the necessary instructions to the District Engineer Presidency to disburse the amount of Mr. Wright's bill from the General Funds at his disposal for the current year and to charge the same under the head of "repairs."

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

Chepauk 30th September 1862.

From

Lieut Colonel I. Carpendale R.E.
Superintendent and Controller
of the Pier works.

To
