FORT SAINT GEORGE,
9th October 1862.

No. 2,409.

From

COLONEL W. I. BIRDWOOD, R. E.,
Secretary to the Government of Fort Saint George, D.P.W.,

To

The Resident at Cochin.

SIR,

I am directed by the Governor in Council to transmit to you the accompanying papers* relative to a proposition for improving the road between Tirtalla and Chetwye, a distance of 22½ miles. About nine miles are within the Cochin Circar, and the concurrence of that Government is, therefore, essential to the measure of improving the portion of the line within its own limits, as otherwise it would be of little advantage to put into order the portions which lie within the British territory at either extremity. Before according sanction to the Estimate brought under consideration by the Deputy Chief Engineer, Southern Circle, the Madras Government request to be informed whether the Cochin Circar is willing to undertake the improvement of the nine miles of road referred to above, and if so, whether it is also prepared to allot for the maintenance of the same an annual allowance as proposed by Colonel Ouchterlony in the last paragraph of his letter, dated 20th September 1862, No. 90.

* Letter from Deputy Chief Engineer, Southern Circle, dated 20th September 1862, No. 90, with enclosures.
Procs. of Govt. No. 2,408, dated 9th Oct. 1862.

I have the honor to be,
Sir,
Your most obedient servant,

(Sgd.) W. I. Birdwood Colonel, R.E.,
Secretary to Government.

Exd. S. T. Augustin.
