Proceedings of the Madras Government, Revenue Department, 8th February 1862.

No. 164. Read the following Proceedings of the Board of Revenue, dated 20th January 1862, No. 458.

Read the following letter from W. FISHER, Esq., Collector of North Canara, to W. HUDLESTON, Esq., Secretary to the Board of Revnue, Chepauk, dated Beitkal, 27th December 1861, No. 174 :—

SIR,

1. I have the honor to submit the following circumstances for the favorable consideration of the Board, who will, I trust, sanction the submission of an application for pension on behalf of Shah-nur-alla, Deputy Sub-Magistrate of Beitkal.

2. This Officer has served for upwards of 30 years, but is not infirm or disqualified for further service by age.

3. He is simply unequal to conduct his Magisterial duties satisfactorily under existing circumstances.

4. The modifications incident to the introduction of the new Police have been, as the Board are aware, but imperfectly comprehended even up to this time, by many of the older and more ignorant subordinate Officers ; and it has been necessary to replace the above named individual, by a younger and better informed man, who can comprehend the nature of the present routine in Magisterial and Police business, and may be expected to acquire sufficient knowledge to perform his duty on the introduction of the Penal Code.

5. Time and patient instruction will alone enable the European Magistracy to place their best Native subordinates in a position to do their work correctly, whilst there will be some everywhere, whose age and defective education will render them unable to benefit materially by

6. In order, therefore, not to weaken the Magistrate's hands by obliging him to retain men equal to the ordinary duties they have hitherto performed, but incapable of meeting the demands he must now make on them, I trust that I may be allowed to submit an application for pension for an old servant, though 31 years of service have not rendered him physically incapable of performing his duty.

7. Shah-nur-alla has always borne a good character, and proved himself anxious to maintain that of his family, who held high office under the Government of Hyder Alli and Tippoo Saib.

---

1. Under the circumstances stated by the Collector, the Board fully sanction his intended application for a pension to Shah-nur-alla, but as he must be aware such applications do not pass through the Board but must be made direct to Government.

2. Copy of his letter and of these Proceedings will be submitted for the information of Government, and for such orders as they may think fit to pass.
