The excess in this case is fully explained in the column of remarks of the accompanying comparative statement opposite to each item of the original and supplemental estimates and the cost of work performed, and therefore it is unnecessary to repeat the explanation here. At the foot of the statement the District Engineer adds that the price of chunam and bricks has risen considerably, owing to the great demand of those materials in Salem and to the tax laid on firewood since the supplemental estimates were sanctioned. 2. It is recommended that the sum of Rupees 8,140-10-7 may receive the sanction of Government.

Proceedings of the Madras Government, Public Works Department.
1st November 1862.

No. 26. ORDER THEREON, 1st November 1862, No. 2,618.

Under the explanation afforded in the comparative statement accompanying the foregoing list, the Government sanction the expenditure of Rupees 8,140-10-7 incurred in the construction of the Salem Court House. It is observed that this sum includes Rupees 2,891-6-7, the value of tools, &c., which was erroneously omitted to be charged to the work, but which it is now proposed to bring to credit in the accounts as the articles are disposed of.
