PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Principal Civil Engineering College, Chepauk, 18th October 1862, *No.* 548 ; *to the Secretary to Government, Department Public Works.*

Referring to the Order of Government as per margin, I have the honor to bring to your notice, that the Detachment of Sappers therein referred to, arrived yesterday per *Sydenham*, and have proceeded to Poonamallee.

No. 2250, *dated* 19*th September* 1862.

2. I therefore beg to inform you that if it is intended by the Military Authorities that as many as there is room for, of these men should join the Civil Engineering College, it is desirable they should do so as early as practicable ; as it will be much more convenient to receive them than after a month or so, when the Class they would join will have made considerable progress.

3. The strength of the party is stated in the Shipping Report to be only thirteen, of whom some are married ; I have room for all the unmarried men, but no vacant accommodation for married men.

Referred to the Military Department.
