## ECCLESIASTICAL DEPARTMENT.

### *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Read the following letter from Reverend JOHN W. WYNCH, M.A. Acting Chaplain of Vizagapatam; to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated 31st January 1862.

I have the honor to bring before the notice of Government certain circumstances regarding the Church in course of erection at Bimlipatam for their favorable consideration thereupon. By Government Order, dated 5th September 1861, No. 244, paragraph 3, Government have liberally granted the sum of Rupees three thousand two hundred and eighty-seven, Annas eight (3,287-8) to be provided out of the official year's Budget for 1862-63.

As the Building has been left in an unfinished state for more than two years, and will by this Order be delayed another whole year, I desire to bring before Government the offer of John Young, Esq.,* a Member of Messrs. Arbuthnot and Co.'s Firm, to advance the said sum, on the security of Government; I would also enquire whether under the above named Gentleman's supervision, Government would allow us to proceed at once with the Building, and thus be enabled to at least roof it in before the monsoon.

* See letter accompanying.

---

From JOHN YOUNG, Esq., to Reverend J. W. WYNCH, M.A. Acting Chaplain, Vizagapatam, dated Bimlipatam, 20th January 1862.

With reference to our conversation of this morning, I feel, with you, that it is highly desirable that the building of the Bimlipatam Church should if possible go on during the present favorable weather, and that if we wait for the receipt of the Government grant out of the Budget of 1862-63, it will throw back the work for another year.

I will therefore undertake at once to advance the amount of the Government grant if assured of its re-payment when the money becomes available in the course of the next financial year.

ORDER THEREON, 15th February 1862, No. 45.

The contribution, viz., Rupees 3,287-8-0 proposed in their Order of the 5th September 1861, No. 244, to be made by Government towards the completion of the Church at Bimlipatam will not be available until the year 1862-63, and as the present weather is favorable for proceeding with the construction of the Building, Mr. J. Young has liberally offered to advance for this purpose the sum above named, on condition of being re-imbursed the amount during the next official year.

2. The Government will avail themselves of Mr. Young's offer, and direct that the necessary orders be issued in the Department Public Works for the early execution of the work.

3. The Venerable the Archdeacon will be good enough to instruct the Reverend Mr. Wynch to submit his communications to Government, in future, through the prescribed channel.
