No. 89. Read the following letter from Lieutenant-Colonel R. STRACHEY, R. E., Secretary to the Government of India, P. W. D., to the Secretary to the Government of Fort Saint George, in the Public Works Department, dated Fort William, 18th October 1862, No. 4,059:—

SIR,

In reply to your letter No. 2,218, dated 17th ultimo, I am directed to communicate the approval of the Governor General in Council to your not having withdrawn, for reasons stated, the funds provided for works entered as Items Nos. 129 and 172 in the Madras Budget for 1862-63, Estimates for which were not sanctioned up to 1st September last. The transfer to the Reserve Fund of Rupees 23,760, allowed for the Grand Junction Canal, cannot however be allowed, as the grant is not so disposable under the Budget Rules, and must lapse.

No. 90. ORDER THEREON, 5th November 1862, No. 2,650.

1. Ordered to be communicated to the Chief Engineer, Deputy Chief Engineers of Circles and to the Officer in charge of the Audit and Account Departments of the Central Office, for information and guidance.

2. It having been decided by the Government of India that the sum of Rupees 23,760,* transferred to the Reserve Fund in the Orders marginally noted, should lapse, the Accountant General is requested to arrange for the amount now outstanding to the credit of that fund being reduced by a corresponding amount.
