JUDICIAL DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant Colonel J. OUCHTERLONY, R. E., Deputy Chief Engineer, S. Circle; to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, D. P. W., dated Paulghat, 11th October 1862, No. 213.

- ENCLOSURES 4.
1 Letter from District Engineer, No. 124, dated 29th July 1862.
1 Plan.
1 Specification.
1 Abstract Estimate.

I have the honor to submit herewith an estimate amounting to Rupees 1,63,760 for constructing 66 additional Cells in connection with the Jail at Ootacamund, framed in pursuance of Order of Government, Nos. 712 and 795, dated 1st and 20th June 1861, respectively.

2. The cause of the delay which has intervened in the submission of this estimate appears to have been the necessity for more than one reference to Mr. Cunliffe in Europe, upon the subject of the land on which it was desired to erect the range of Cells.
3. The plans and estimates have been approved of by the Inspector General of Jails; and that gentleman has after reference agreed with me in opinion that it will not be found necessary to warm the building.
4. There is no provision in the current Budget for this work, and I therefore conclude Government will desire that it be included in that for the year 1863-64, now under preparation.

Referred to the Judicial Department.
