No. 113. Read the following letter from Colonel W. I. BIRDWOOD, R. E., Chief Engineer, to the Secretary to Government, Public Works Department, dated Chepauk, 23rd October 1862, No. 3,807 :—

SIR,

1 Statement Part II.
1 Memorandum.

1. As required by paragraph 3 of the Proceedings of Government in the Public Works Department, No. 1,150 of 24th May last, I have the honor to submit herewith a statement showing a revised re-distribution of Part II ("Repairs") of the Budget of 1862-63.

2. Reductions have been made in the repair allotments of the Chief Engineer, Mysore, on account of Coorg and the Municipal Commissioners according to the proportion laid down in the above Proceedings, but as the amounts* originally assigned to each may more properly be considered as annual maintenance grants I would suggest that the sums reduced may be made up to them by a grant from the Public Works Reserve.

3. A Memorandum showing the Imperial allotment for both new works and repairs inclusive of the grants made from the Reserve Fund is also forwarded for the information of Government.

No. 114. ORDER THEREON, 5th November 1862, No. 2,662.
