1 Letter from Reverend Mr. Wynch.

Dated 26th June 1862, No. 227.

Estimate.....	Rs. 260
Subscribed.....	75
Amount requiring sanction.....	185

I have the honor to forward for the sanction of Government a Plan and Estimate amounting to Rupees 260, for "erecting a Belfry at Vizianagram," in the Vizagapatam District.

2. From the Venerable the Archdeacon's letter to the Chief Engineer, it will be observed that, the residents have subscribed Rupees 75 towards its erection, and it is requested that Government will supplement this sum by an additional 185 Rupees.

3. The Chaplain of the Station calculated on executing the work at 150 Rupees; but the Acting District Engineer, to whom a reference was made on the subject, considered Rupees 225 as necessary. That Officer's rate for "rough stone in chunam" was deemed inadequate, and with 10 Rupees for "centering," the total amount of the Estimate has been increased in my Office to Rupees 260.

Office to Rupees 269.

4. It is correct in all other respects, and I beg to recommend it for sanction of the amount, viz., Rupees 185, being defrayed from the "General Funds" of the Vizagapatam District for 1862-63.

ORDER THEREON, 30th October 1862, No. 311.

The Estimate submitted, amounting to Rupees (260) two hundred and sixty, is sanctioned, less Rupees (75) seventy-five, subscribed by the residents at the Station towards the erection of the Belfry in question.
