PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Captain E. HEMERY, R. E., Acting Deputy Chief Engineer, Central Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 16th October 1862, No. 293:—

SIR,

1. I have the honor herewith to submit for the consideration of Government the enclosed letters from the Officer in charge of the Presidency District, and from the Acting Garrison Assistant Surgeon, regarding the state of the Quarters in Fort Saint George occupied by the men of the Garrison Band.

1 Letter from the District Engineer
Presidency, No. 1,622, dated 13th
October 1862, with one enclosure.

2. An estimate amounting to Rupees 1,800 was lately prepared by Lieutenant-Colonel Hitchins for repairing these Quarters, but with the additions proposed by Dr. Chipperfield, a sum of Rupees 3,000 would be required. Captain Vertue considers it inadvisable that so large an amount should be expended on Quarters, which in the opinion of all who have seen them are unfit for human habitations, and suggest that a Committee be appointed to report on the subject.

ORDER THEREON, 30th October 1862, No. 2,594.

1. The Government authorize a Committee composed of the Deputy Chief Engineers of the Northern, Centre and Southern Circles, being formed for the purpose of reporting on the condition of the Quarters in Fort Saint George, occupied by the men of the Garrison Band, and on the expediency of incurring the proposed outlay of Rupees 3,000 in their repair and improvement.

2. The Military Department will be requested to authorize the Garrison Assistant Surgeon also to serve on the above Committee.
