*Proceedings of the Madras Government, Public Works Department,
2nd September 1862.*

No. 36. Read the following letter from Captain E. HEMERY, R. E., for Deputy Chief Engineer, Northern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 15th August 1862, No. 370/G 355 :—

SIR,

■ Dated 28th July 1862, No. 367. 1. I have the honor to submit herewith the accompanying letter* from the Acting District Engineer Godavery, in which he applies for a further sum of Rupees 12,639, being placed at his disposal for expenditure on the high level Canal from Pereeked to Dendaloor.

† Part I, Item No. 68. 2. This work appears in the printed Budget† of the current official year and the computed expenditure on account of it up to 30th April 1862, is set down as Rupees 1,46,510, whereas only Rupees 1,27,124 are stated to have been spent, thus leaving Rupees 19,386 to be provided, exclusive of Rupees 20,803 already allowed in the Budget, for expenditure in this year. Major Stoddard deducts Rupees 11,675 sanctioned in Proceedings of Government, dated 24th May 1862, No. 1,143 from Rupees 19,386, and requests that the difference between the two sums, viz., Rupees 7,711, and Rupees 4,928, being the balance of a supplemental estimate of Rupees 6,680 (which appears to have been submitted by the District Engineer Kistna, so far back as in December 1855, and of which no trace can be found amongst the records of this Office), may be authorized for disbursement. Major Stoddard has been requested to obtain and forward the estimate in question as early as practicable, which immediately on its receipt, will be duly laid before Government.

3. As Major Stoddard states that the work under notice is progressing fast, and as he confidently expects that the water communication between Bezwada and Dowlaishwaram will be completed by the end of this year, I request that Government will be pleased to instruct the Accountant General to place a further sum of Rupees 12,639† at the disposal of that Officer out of the Reserve Fund, it having been ascertained that there are no other funds available for the purpose in either the Godavery or Kistna District.

† Rupees 7,711
" 4,928
12,639

No. 37. ORDER THEREON, 2nd September 1862, No. 2,090.

The total of the estimates sanctioned for the high level Channel from Pereeked to Dendaloor is Rupees 1,67,313, from which if the expenditure up to 30th April 1862, viz., Rupees 1,27,124, be deducted, the balance of the estimates will be Rupees 40,189. Of this amount Rupees 20,803 are provided for in the Budget of 1862-63, and a further sum of Rupees 11,675 was granted in Proceedings dated 24th May 1862, No. 1,143, making a total of Rupees 32,478. The deduction of this amount from the unexpended balance of the estimates up to 30th April 1862, will leave Rupees 7,711, and under the circumstances represented in the letter from the Deputy Chief Engineer, Northern Circle, recorded above, the Government authorize the expenditure of that sum (Rupees 7,711) from the General Funds at the disposal of the District Engineer. They cannot, however, accord sanction to the expenditure of the sum of Rupees 4,928, as the supplemental estimate referred to by the Deputy Chief Engineer in paragraph 2 was never laid before Government, and they have consequently not the means of ascertaining its necessity or otherwise.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

12th July 1862

N^o 367

Sir,

I have the honor to submit herewith the accompanying letter from the Acting District Engineer Godavery, in which he applies for a further sum of Rupees 12,639 being placed at his disposal for expenditure on the High level Canal from Peribek to Dandaloor.

Pl. Item N^o 68,

2. This work appears in the printed Budget of the Current Official year and the computed expenditure on account of it up to 30th April 1862 is set down as Rupees 11,650 whereas only Rupees 12,712 are stated to have been spent, thus leaving Rupees 19,386 to be provided, exclusive of Rupees 20,803 already allowed in the Budget, for expenditure in this year. Major Stoddard deducts Rupees 11,675 sanctioned in Proceedings of Government

dated

dated 24th May 1862, No 1143 from Rs. 19,386 and requests that the difference between the two sums, viz. Rspees 7,711, and Rspees 4,928, bring the balance of a supplemental estimate of Rspees 6,680 (which appears to have been submitted by the District Engineer Kistna so far back as in December 1855 and of which no trace can be found amongst the records of this Office) may be authorized for disbursement. Major Stoddard has been requested to obtain and forward the estimate in question as early as practicable, which immediately on its receipt, will be duly laid before Government.

3. As Major Stoddard states that the work under notice is progressing fast, and as he confidently expects that the water communication between Bezawadah and Dowlaiswaram will be completed by the end of this year, I request that Government will be pleased to instruct the Accountant General to place a further sum of Rspees 12,639 at the disposal of that Officer out of the Reserve fund, it having been ascertained that there are no other funds available for the

the purpose in either the Godavery or Krishna District.

Northern Circle Office,
Chepauk
15th August 1862.

I have the honor to be,
Sir,
Your Most Obedient Servant
Henry D. Captain,
For Deputy Chief Engineer
M.C.

To
Colonel W. S. Birdwood R.E.
Secretary to Government P.W.D.

G. R.

Govt. authorize the expenditure of that sum Rs. (7,711) from the general funds at the disposal of the District Engineer.

They cannot however accord sanction to the expenditure of the sum of Rspees 4,928, as the supplemental estimate referred to by the Deputy Chief Engineer in Para 2. was never laid before Government, and they have consequently not the means of ascertaining its necessity or otherwise.

The total of the Estimates

Sanctioned for the High Level Channel
from Deviation to Deviation, is \$16,313
from which if the expenditure up to 1867
April 1862, viz. \$1,121,121, be deducted, the
balance of the Estimate will be \$15,191,992.
Of this amount the sum of \$2,875,000, viz. \$1,000,000
issued for the Budget of 1867/68 and
a further sum of \$1,875,000 was
granted in Dec. 1867, viz. \$1,000,000,
at 11 1/2% making a total of \$2,875,000.
The deduction of this amount from the
unexpended balance of the Estimate
up to 30th April 1868, will leave
\$12,316,992, and when the ex-
penditures sanctioned in the
Bills from the Deputy Chief Engineer
at various levels are added, the
