*Proceedings of the Madras Government, Public Works Department,
2nd September 1862.*

No. 44. Read the following letter from Colonel W. I. BIRDWOOD, R. E., Chief Engineer, to the Secretary to Government, Public Works Department, dated Chepauk, 27th August 1862, No. 2,813:—

SIR,

1 Medical Certificate.
1 Letter from the Surgeon, 1st District,
22nd August 1862.

1. I have the honor to submit for the orders of Government the accompanying Certificate granted by the Standing Board of Medical Officers at the Presidency, recommending Mr. W. Pye, 3rd Class Mechanical

Engineer, at present doing duty at the Presidency for two years leave to Europe.

2. According to paragraph 23, Section VIII of the Indian Navy Pay Code, Mr. Pye is entitled to an allowance of one-third of his net pay during his absence from India, provided that his sickness does not occasion a longer absence than two years on the whole, but the Medical Certificate must be renewed every three months during such absence.

3. Mr. Pye is also entitled under paragraph 161, Section XIII of the same compilation, to a sum not exceeding 600 Rupees as passage money in the event of its being proved that his indisposition has been caused by the severe nature of the service in which he has been engaged, and that he has conducted himself in a satisfactory manner.

4. The former point has been certified to by Dr. Montgomery in the accompanying letter, and with respect to the latter, I find that Mr. Pye has not been reported upon unfavorably during the time he has been in the country. Should therefore the Government be pleased to grant to him the leave he has been recommended for, he may be allowed his passage money to Europe, provided it does not exceed 600 Rupees.

5. Previous, however, to passing final orders on the subject, I would request that the result of a reference which I have made to the Government Solicitor regarding Mr. Pye, may be awaited.

6. Mr. Pye has served upwards of three and half of the five years he covenanted for, and considering that his services are of little or no benefit to Government, it appears to me desirable to give him notice that at the expiration of twelve months, his connection with Government will cease. I have therefore written to the Government Solicitor to ascertain whether such can be legally done, and the result as above promised, will in due course be communicated for orders.

No. 45. ORDER THEREON, 2nd September 1862, No. 2,094.

The Government await the result of the reference made to the Government Solicitor regarding Mr. Mechanical Engineer Pye.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
