Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 20th February 1862.

No. 335. Read the following letter from Colonel W. I. BIRDWOOD, Deputy Chief Engineer, Southern Circle, to Lieutenant-Colonel W. H. HORSLEY, Chief Engineer and Secretary to Government, Public Works Department, dated Chepauk, 8th February 1862, No. 10,388 : —

SIR,

1. I have the honor to forward for submission to Government a sketch, specification and estimate, amounting to Rupees 6,570, for repairing Road No. 5 from Trippatore to Poodoocotah frontier, being a distance of 17 miles, 4 furlongs and 16 yards, in the District of Madura.

1 Sketch, 1-15,392-1862.
1 Report, 9-17,429-1861.
1 Abstract estimate, 8-17,429-1861.

2. Provision is made in the estimate for constructing six bridges of one arch of 15, 12, and 6 feet span respectively; twelve tunnels of one vent each; and for repairing two pavements. The largest item is for earth-work.

3. This road suffered considerably during the rains of 1858 and 1859, and being one of considerable importance should be put into fair order as soon as possible.

4. In Proceedings No. 1,929, dated 18th October 1861, Government sanctioned Rupees 11,259 for completing bridges and tunnels on certain roads in the Madura District, Rupees 1,532 of that amount belongs to this road, and which deducted from the accompanying estimate, leaves a balance of Rupees 5,038, for which sanction is now solicited.

5. The accompanying estimate has been examined in this Office and found correct. The rates given in it are those prevailing in the Madura District and are not more than that absolutely necessary to carry out the proposed work. I request therefore that you will be good enough to obtain the sanction of Government for the entry of the amount, viz., Rupees 5,038 in the Budget for 1862-63, wherein provision has been made.

No. 336. ORDER THEREON, 20th February 1862, No. 270.

The Government observe that the estimate submitted with this letter was prepared a year ago, but on the assurance of the Deputy Chief Engineer, Southern Circle, that the rates entered therein are those now prevailing in the Madura District, it is sanctioned for execution in 1862-63, in the Budget of which year funds have been provided to the extent of Rupees 3,670, the difference Rupees 2,900 being the computed expenditure up to 30th April 1862.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.
