No. 213. Read the following letter from Colonel W. I. BIRDWOOD, R. E., Chief Engineer, to the Secretary to Government, Public Works Department, Chepauk, 3rd November 1862, No. 3,994 :—

SIR,

- 1 Letter from the Deputy Chief Engineer, No. 310, dated 27th October 1862.
1 Estimate.
1 Specification.
1 Letter from District Engineer, Presidency, No. 1,490, dated 2nd October 1862.

Government Office, Public Works Department.
Central Office of Public Works.
Consulting Engineer for the Railway.
Do. for the Irrigation Canal Company.

1. I have the honor to submit for the orders of Government the accompanying letter from the Deputy Chief Engineer Central Circle giving cover to an estimate amounting to Rupees 2,260 for fixing weather boards to those portions of the Dewan Khana building at Chepauk occupied by the Office Establishments noted in the margin which have not already been provided with them, and for removing the temporary thatched Verandahs on the north and west sides.

2. Boarding has already been put up on the eastern side, as well as on a portion of the western and southern sides, and as it is desirable that it should be continued all round the building, I recommend that the estimate herewith submitted may be sanctioned, and the District Engineer, Presidency, be authorized to carry out the work from the General Funds placed at his disposal for expenditure during the current official year.

(Signed.) W. I. BIRDWOOD, Colonel, R. E.,
Chief Engineer, D. P. W.
