*Proceedings of the Madras Government, Public Works Department,
12th November 1862.*

No. 217. Read the following letter from Lieutenant-Colonel F. H. RUNDALL, R. E., Consulting Engineer for Irrigation and Canal Company, to Colonel W. I. BIRD-WOOD, R. E., Secretary to Government, Public Works Department, dated 3rd November 1862, No. 77 :—

SIR,

1. In continuation of my letter of the 22nd July last, No. 40, I have the honor to forward the accompanying Statements of expenditure incurred during June and July 1862, in comparison with the Budget allotment.

2. The delay in the submission of these Statements, is owing to the non-receipt of the Agent's Return for June, till the 4th and that for July, till the 30th ultimo, he having unnecessarily waited for their preparation until the vouchers for the expenditure under the several heads were passed by this Office. I have however pointed out to him, that in future he need not do so, and that his Return should simply be an abstract of the cash accounts, drawn up soon after the expiration of each month.

No. 218. ORDER THEREON, 12th November 1862, No. 2,714.

The Government approve of the instructions issued by the Consulting Engineer to the Agent. If these reports are not submitted in time the object for which they were called for will be defeated. At present the Government are in ignorance as to the expenditure up to the past month, and consequently they are unable to offer any opinion regarding the proportion which the outlay bears to the allotment for the Company's works.

To,
Lieut. Col. J. H. Randall, R.E.
Cons. Engr for I. & C. Company.
The Secretary to Government
Department of Public Works.

Sir,
In continuation of my letter of the 22nd
July last No. 40, I have the honor to forward
the accompanying statements of expenditure incurred during June and July 1862, in comparison with the Budget allotment.

The delay in the submission of these statements, is owing to the non-receipt of the Agent's return for June, till the 4th, and that for July, till the 30th ultimo, he having unnecessarily waited for their preparation, until the vouchers for the expenditure under the several heads were passed by this office. I have however pointed out to him, that in future he need not do so, and that his Return should simply be an abstract of the cash accounts, drawn up soon after the expiration of each month.

I have the honor to be,
Sir,
Your most obedient servant,
J. H. Randall, Lieut. Col.,
Cons. Engr for I. & C. Company.
