Proceedings of the Madras Government, Public Works Department, 20th February 1862.

No. 337. Read the following Endorsement of the Acting Deputy Chief Engineer, Central Circle, dated Chepauk, 31st January 1862, No. 10,054.

Read the following letter from Lieutenant-Colonel G. W. WALKER, District Engineer North Canara, to the Deputy Chief Engineer, Central Circle, dated Camp Sedasheghur, 18th January 1862, No. 191:—

SIR,

1. I have the honor to report that as several subordinates will accompany Lieutenant-Colonel Kennedy and Captain Baker into this District, it is desirable that I should have permission to relieve any Officers or Agents of the Madras Department whom they may supersede, and be instructed where to order them to proceed. In Captain Searle's case, for instance, I should feel warranted in sending him back to the Godavery District, but I should not know how to act with regard to several of my other subordinates.

2. I have furnished the Chief Engineer at Bombay with copy of the statement of expenditure up to 31st December 1861, sent with my letter No. 189 of this date; and with information of the discrepancy between your instructions to me regarding the transfer, and his to Lieutenant-Colonel Kennedy.
