Proceedings of the Madras Government, Revenue Department, 12th February 1862.

No. 235. Read the following Proceedings of the Board of Revenue, dated 18th January 1862, No. 430 :—

Read again letter from the Acting Collector of Kurnool, dated 2nd September 1861, submitting a detailed Statement of extra expenditure of paper used in Fasli 1267 (1857-58), and requesting sanction to the charge of Rupees 151-3-10 thereby incurred.

(In Cons. 9th September 1861, No. 5,765.)

Read also the following letter from the same Officer, dated 21st December 1861, No. 143.

With reference to the Board's Proceedings, dated 21st October last, No. 5,776, I have the honor to inform you that the excess expenditure of Fasli 1267, amounting to Rupees 151-3-10 therein referred to, for which sanction is now sought, is included in Rupees 5,000 provided for Contingent charges in the Budget Estimate for 1861-62.

---

1. Resolved that the above communications be forwarded to Government, with the Board's recommendation that the extra Sádirwárid charge of Rupees 151-3-10* incurred in Fasli 1267 (1857-58) in Kurnool for paper used in the preparation of the Village Accounts according to the new forms, and stated to be included in the sum provided for "Contingent expenses" in the Budget Estimate of 1861-62, be sanctioned.

2. The above excess was not brought to the notice of Government together with that (Rupees 1,985-1-4) of the two subsequent Faslis, which the Government sanctioned on the 12th January 1861, as the Board were not at the time in receipt of the requisite explanatory Statement called for from the Collector, but which he has now furnished.

No. 236. ORDER THEREON, 12th February 1862, No. 279.

1. Sanctioned Rupees (151-3-10) one hundred and fifty-one, Annas three and Pice ten, being the extra Sádirwárid charge incurred in Fasli 1267 in the Kurnool District.

2. The long delay which has occurred in adjusting this charge, and which is very reprehensible, seems to be owing to the Collector having overlooked an order of the Board of Revenue of 6th January 1860, calling for a Comparative Statement. The Board, however, ought to have called that Officer's attention to their requisition.

Deputy Secretary to Government.

1. In letter from this Office dated 20th September 1859, No. 120, the sanction of Government was requested to be obtained for the extra cost of paper used in the preparation of the Jummabundy accounts, &c., according to the new forms in Faslis 1267 and 1268, but through some misconception sanction was granted only for the outlay of Fasli 1268. The expenditure for Fasli 1267 being still unadjusted, I have the honor to submit a fresh detailed statement of extra expenditure for that year, amounting to Rupees 151-3-10, and request you will have the goodness to obtain the sanction of Government for its disbursement.

The above is one of the items of unadjusted advances of more than one year's standing, the settlement of which has been ordered by the Government.

ENCLOSURE No 1.

STRACT.—Statement showing the expenditure of paper in the preparation of the Jummabundy s, &c., according to the new forms in Fasli 1267.

The Board omitted to recommend for sanction the excess expenditure of Fasli 1267 in roceedings, No. 5,798, dated 11th December 1860, as no comparative Statement for that s received similar to those forwarded for Faslis 1268 and 1269, although one was expressly r on the 6th January 1860, in the Board's letter No. 67.

The Collector is requested to state with reference to the Board's Circular Order (Standing), 80, dated 19th September 1861, whether the amount for which sanction is now sought, is l for in the Budget Estimate for 1861-62, or can be met out of it.
