PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Proceedings of Government in the Public Works Department.

Referring for consideration letter from the Chief Engineer requesting to be informed whether an Officer who proceeds by sea to join his appointment is to charge Government with the Passage money which he would have to pay for servants and luggage in addition to that for himself. (Dated 18th October 1862, No. 2,486.)

Referred for the report of the Civil Paymaster with advertence to para. 4 of the Chief Engineer's letter, and to the modified clause suggested in the 2nd para. of Mr. Raynor's letter of the 15th January 1861, No. 20.

FORT SAINT GEORGE,
23rd October 1862.

(Signed) T. PYCROFT,
Chief Secretary to Government.

From W. J. RAYNOR, Esq., Officiating Civil Paymaster; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated 12th November 1862, No. 473.

Public Works Department.

With reference to the Order of Government, dated 23rd October 1862, I have the honor to report that the rule in the revised Military Pay Code mentioned by the Chief Engineer does not apply to Military Officers in the Civil Department.

2nd. With reference to the modification adverted to in the 2nd para. of my letter of 15th January 1861, No. 20, I beg to state that, under a precedent established in the early part of 1860 it had been the practice of this office to allow to an Officer proceeding on duty in a private vessel, the actual amount of passage money for himself, and also for servants to the number allowed by the Military Department to an Officer of corresponding rank. But as it appeared from a reference made to Calcutta, that passage money is not allowed for servants without special orders, the practice has been since discontinued. Neither servants nor extra luggage can now be admitted without the sanction of the Government of India.

ORDER THEREON, 19th November 1862, No. 822.

Ordered to be communicated to the Public Works Department in reference to the Order in that Department, dated the 18th ultimo, No. 2,486.
