*Proceedings of the Madras Government, Public Works Department,
4th December 1862.*

No. 98. Read the following letter from Captain E. HEMERY, R. E., Acting Deputy Chief Engineer, Central Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 22nd November 1862, No. 191:—

SIR,

1. With reference to Proceedings of Government, No. 2,789 of the 19th November 1862, I have the honor to request permission for the entertainment of one Mr. J. Grogan, a pensioned Serjeant of the Ordnance Artificer Company as Storekeeper in the North Arcot District until such time as the services of a Passed Candidate are secured.

2. The Acting District Engineer reports that Mr. Grogan is just the person for a Storekeeper from the satisfactory testimonials which he possesses, one of which speaks very highly of his mechanical qualifications.

3. I have no alternative but to recommend the entertainment of Mr. Grogan, who appears to be better suited to the work than Ambalavanah, the present incumbent, and also from the difficulty experienced by the Acting District Engineer, in securing qualified persons to fill the post although the appointment has been advertised in the Fort Saint George as well as in the District Gazettes during the past six months.

No. 99. ORDER THEREON, 4th December 1862, No. 2,906.

1. For the reasons already stated, the Government decline to modify the orders contained in their Proceedings No. 2,789, dated 19th November 1862.

2. The Governor in Council is of opinion that under the District Engineer's training for a short period a passed Candidate might be rendered fully equal to the duties of the vacant appointment in North Arcot.

(Signed.) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
