MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Quarter Master General of the Army, Fort Saint George, 1st February 1862, No. 338.
to the Secretary to Government, Military Department.

I have the honor, by desire of His Excellency the Commander-in-Chief, to acknowledge the receipt of Order of Government No. 339, of the 25th ultimo, sanctioning the disbursement of Rs. 200, being the amount claimed as Compensation for a Tank stated to be within the limits of the ground lately added to the Military limits of the Cantonment at Dowlaishwaram.

2. In the letter from the Collector of the Godavery District, which accompanied the above Order of Government, Mr. Purvis states, that he has ascertained from personal inspection, that the Tank in question is within the new boundary line, and that I probably referred to a Tank on the road leading to Rajahmundry, which is just outside the limits.

3. I therefore forward the Plan of Dowlaishwaram, by which I was guided when addressing Government on 5th September last; and on reference to this Plan, which I have just obtained from the Revenue Board Office, it appears that a new piece of ground to be brought within the limits of the Cantonment, No. 3542, 1st October 1861.

It is apparent that no Tank is marked on the new piece of ground to be brought within the Military limits.

4. It is requested that the Plan may be returned, when no longer required.

ORDER, No. 443, 5th February 1862.

Communicated with the Map to the Revenue Department, in view to further inquiry being instituted on the subject of the Tank in question.
