MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Adjutant General of the Army, Fort Saint George, 20th November 1862, No. 857; to the Secretary to Government, Military Department.

Adverting to paragraph 3 of my letter, dated 2nd October 1862, No. 593, recorded in the Proceedings of Government, 24th idem, No. 3685, I have the honor, by order of the Commander-in-Chief, to report for the information of His Excellency the Governor in Council, that the Officer Commanding Sappers and Miners has

now intimated to this Department, that Lieutenant Filgate is anxious to enter into the Department of Public Works, as he perceives that remaining with the Sappers will probably eventually debar him from obtaining the position which, considering his rank, he might expect in that Department.

2. Captain Winscom further reports that he has spoken to three other Engineer Officers, who would in his opinion become good Adjutants, but they all hold a similar opinion.

3. Captain Winscom considers it desirable, that the Adjutant should be an Engineer Officer, but unless the appointment is put on a different footing and made more worth an Engineer Officer's acceptance, he says it will be impossible to find one willing to take it.

4. Under the above circumstances, existing arrangements must for the present at least remain undisturbed, and the Adjutancy continue to be held by Lieutenant Hindle of the Staff Corps.

ORDER, No. 4106, 28th November 1862.
