PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from C. J. SHUBRICK, Esq., Collector of Sea Customs; to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Madras, 18th November 1862, No. 606.

Having received an application from Messrs. Lecot & Co., the Agents of the Steam Company of the "Messageries Impériales" to supply them with room at the Custom House, similar to the accommodation afforded to the Steamers of the P. and O. Company, I have the honor to report to you for the information of Government that I have consulted with Colonel Hichins on the subject, who is now engaged in drawing up the necessary estimates; and to request that in the meanwhile he may be permitted to proceed with the work on emergency.

2. The accommodation consists in little more than running up a wall or two, to make a strong room for the reception of Treasure or valuables, and to partition off with iron bars for larger packages a portion of one of the rooms on the ground floor of the Custom House, together with a trifling alteration in the room now occupied by the Stamp Vendor. The proposed accommodation has met with the approval of Messrs. Lecot & Co.

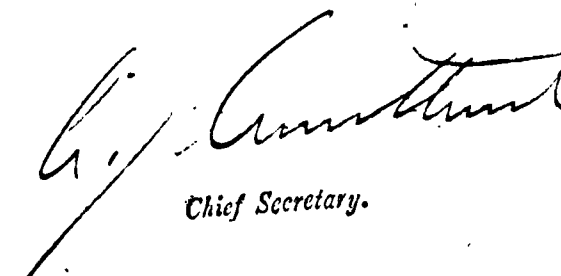

Referred to the Public Department.
