No. 215. Read the following letter from Lieutenant-Colonel S. O. L. LUDLOW, R. E., Deputy Chief Engineer, Northern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 28th November 1862, No. 490:—

SIR,

1. I have the honor to solicit sanction to an estimate of Rupees 470, for closing a breach in the Nowpada and Cassaboga road, occasioned by the storm and inundation from the sea, on the 27th of October 1862, in the Ganjam District.

2. I would myself have sanctioned the estimate in question, under the authority conveyed in Clause II, paragraph 1, Chapter XXIV of the New Public Works Code, but as the amount will have to come from the "Reserve Fund," I have deemed it necessary to transmit it to Government.

3. I find that the estimate has not been countersigned by the Collector, and shall direct Captain Philipps' attention to the omission. In the meanwhile, however, I beg Government may be pleased to sanction the amount, viz., Rupees 470, from the "Reserve Fund."

No. 216. ORDER THEREON, 10th December 1862, No. 2,964.

Sanctioned from the funds proposed, subject to the estimate being countersigned by the Collector in token of his approval.

(Signed.) W. I. BIRDWOOD, Colonel, R. E.,
