*Proceedings of the Madras Government, Public Works Department,

No. 250. Read the following Endorsement of the Deputy Chief Engineer, Northern Circle, dated Chepauk, 24th November 1862, No. 487 :—

Read the following letter from Captain C. G. PHILIPPS, Acting District Engineer of Ganjam, to Lieutenant-Colonel S. O. E. LUDLOW, R. E., Deputy Chief Engineer, Northern Circle, dated Camp Moojogudda, 10th November 1862, No. 248.

SIR,

1. I have the honor to report the departure this day of the H. Company Sappers and Miners under Lieutenant Bailey, from Russelcondah, en route to the Hill Tracts of Goomsur.

2. I accompany, and intend remaining about a week with the Company, in order that every arrangement may be made for the vigorous commencement of the work in the Kalingia Ghât.

3. For the preservation of the men's health I intend erecting spacious sheds on the table land at Kalingia, instead of allowing them to occupy their tents, which are very cold at night and admit the dew, which is exceedingly heavy above the Ghât.

1 Letter from the Acting District Engineer, Ganjam, No. 248, dated 10th November 1862.

1. Submitted to Government for information.

2. It will be observed from paragraph 2 of his letter that Captain Phillips is making every arrangement for the vigorous prosecution of the Kalingia Ghât work.

3. He has been called upon to state whence the amount that will be required for the erection of the "spacious sheds" adverted to in paragraph 3 of his letter, is to be met, and has been directed to forward at once estimates for the same, for sanction. Should these documents, on receipt, be found requisite to be submitted to Government, they will be forwarded.
