No. 300. Read the following Proceedings of the Madras Government in the Judicial Department, dated 6th December 1862, No. 1,979:—

JUDICIAL DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Dated 6th December 1862, No. 1,979.

In continuation of the Orders conveyed in the Proceedings of Government under date the 21th ultimo, No. 1,908, authorizing certain arrangements for relieving the Jails at Salem and Coimbatore, His Excellency the Governor in Council directs that steps shall be taken without loss of time for erecting an upper story on the new Jail at Salem. Mr. Rohde will proceed to Salem immediately on his receipt of these orders, and will place himself in communication with the District Engineer, in order that a Plan and Estimate may be prepared and arrangements made for commencing the work with as little delay as possible. The work will be treated as an emergency and the necessary funds will be provided in the Department of Public Works from the reserve fund, or such other source as the Chief Engineer may point out.

2. The Governor in Council also think it advisable that measures should be taken for converting the Stables in the Chepauk Premises into a temporary Jail. He believes that 50 or 100 Convicts might be accommodated in this way and might be usefully employed in levelling and in getting into order the Chepauk grounds or in other work in the neighbourhood. This suggestion will be considered in the Public Works Department.
