*Proceedings of the Madras Government, Public Works Department,
16th December 1862.*

No. 326. Read the following letter from Lieutenant-Colonel S. O. E. LUDLOW, R. E., Deputy Chief Engineer, Northern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Chepauk, 5th December 1862, No. 500 :—

SIR,

1. I have the honor to forward for submission to Government, the undermentioned estimates, with plans, &c., amounting in the aggregate to Rupees 3,840, for works in the Godavery District, viz. :—

4 Estimates.
4 Plans.
4 Specification Reports.
1 Sketch showing the sites of the proposed works.
1 Survey sketch showing the position of the Tunnels proposed.
1 Letter from the Acting District Engineer, Godavery, No. 875, dated 7th November 1862.

I. Constructing a Culvert under the Vellah south high level Irrigation Channel and Coringa Canal bank at Vellah.....	1,120
II. Constructing three tunnels at Nulloor at 460 Rupees.....	1,380
III. Constructing an Aqueduct at Bullapalem.....	670
IV. Constructing an Aqueduct in the Undrungu drain, crossing the Velsa Gungaram Irrigation Channel, near Bumacrosapalem.....	670
Total.....	3,840

2. Of the works enumerated above, the two first are for the drainage of lands under the Vellah south high level channel, and the Coringa main canal. The two remaining works are for conveying Irrigation channels across drainages: one in the Kolunka, and the other in the Vellsa Gungaram channels, which object is at present accomplished by the very imperfect means of wooden troughs, or by damming up the drains below the points of intersection.

3. I consider all four works very necessary, and the plans suitable, and beg, therefore, that the total amount of their cost, viz., Rupees 3,840, may be sanctioned for execution from the "General Funds" of the Godavery District, for the current year.

No. 327. ORDER THEREON, 16th December 1862, No. 3,021.

The Estimates aggregating Rupees 3,840 received with the foregoing letter are sanctioned from the General funds at the disposal of the District Engineer Godavery.

(Signed.) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

IV Constructing an aqueduct in the Undrugged drain, crossing the Velsa Gungarum Irrigation channel near a B. M. - 870
Total - 3840.

2. Of the works enumerated above, the two first are for the drainage of lands under the Vellah South High Level Channel, and the Vorniga main Canal. The two remaining works are for conveying irrigation channels across drainages: one in the Vellah, and the other in the Velsa-gungarum channels, which object is at present accomplished by the very imperfect means of wooden troughs, or by damming up the drains below the points of intersection.

3. I consider all the works very necessary and the Plans suitable, and beg therefore, that the total amount of their cost, viz. Rs. 3840, may be sanctioned for execution from

from the "General Funds" of the Godavari District, for the current year.

I have the honor to be
 Sir
 Your most obedient servant
