Proceedings of the Madras Government, Public Works Department, 18*th December* 1862.

No. 344. Read the following Endorsement of the Chief Engineer, dated Chepauk, 8th December 1862, No. 4,549:—

Read the following letter from Captain W. C. PALMER, Acting District Engineer, Trichinopoly, to Lieutenant-Colonel J. OUCHTERLONY, R. E., Deputy Chief Engineer, Southern Circle, dated Trichinopoly, 24th November 1862, No. 1,507.

SIR,

1. From intimation this day received from the Government Vakil at Salem, it appears that the Appeal (referred to in Orders marginally noted) from the judgment of the Principal Sudr Amin of Salem in the suit preferred by the villagers of Audapurum against the Collectors and District Engineers of Trichinopoly and Salem will probably soon be heard by the Civil Judge, and as I think it will be advisable that I should confer personally with the Government Vakil before the hearing of the case, to ascertain what further evidence is required and to supply him with information on the different points raised in the suit, which I can do much better verbally than by writing, I have the honor to solicit permission to visit Salem for this purpose and to be considered absent on duty; the absence will not probably exceed three days.
