ECCLESIASTICAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Colonel W. I. BIRDWOOD, R. E., Chief Engineer, Department Public Works; to the Secretary to Government, Public Works Department, dated Chepauk, 27th November 1862, No. 4,406.

Ecclesiastical.

In the Orders of Government in the Ecclesiastical Department, No. 246, dated 9th August 1862, authority was granted for the erection of a partition wall between the Burial ground at Palcole in the Godavery District and the adjoining garden which had been previously sold by the Acting Sub-Collector to a Soucar of Masulipatam at a cost not exceeding Rupees one hundred to be defrayed from the sale proceeds of the property. The Collector now brings to notice that only a mud wall and a gap or very inferior sort of entrance gate can be constructed for this sum, and he therefore supports a recommendation made by the District Engineer that substantial walls and a good gate way should be erected at a cost of Rupees 594, minus the one hundred Rupees above adverted to.

Proceedings of Government, Public Works Department, No. 1,946, dated 15th August 1862.
Enclosures 8.
1 Copy of Proceedings of Board of Revenue, No. 7441, dated 12th November 1862, with 7 accompaniments.

2. The Collector also requests that the Burial ground at Nursapur should be enclosed in a similar manner at a cost of Rupees 505 with a view to the existing graves being protected from desecration, the Cemetery being full, and there being no other spot contingent thereto in which bodies can in future be interred.

3. At both places there are tombs upwards of 200 years old, and the Board of Revenue, through whom the papers have been forwarded, entirely approve of the work being carried out, and have called on the Collector to obtain and submit an Estimate for enclosing a fresh Burial ground at Nursapur.

4. The two Estimates herewith forwarded have been examined and corrected in this Office, an omission of provision for excavating the foundations of the walls and for building a brick in chunam coping has also been supplied, in each Estimate, and their respective amounts has in consequence been increased to the extent noted in the margin, I accordingly request permission to enter both works in the outgoing Budget of 1863-64, in order that they may be carried out as soon as possible after the commencement of the next official year.

Estimate for the Palcole Burial ground	increase from Rupees	594 to Rupees 670.
Do. Nursapur	„	505 to Rupees 560.

Referred to the Ecclesiastical Department with reference to the Orders quoted by the Chief Engineer.
