Proceedings of the Madras Government, Public Works Department, 19th December 1862.

No. 380. Read the following letter from Lieutenant-Colonel S. O. E. LUDLOW, R. E., Deputy Chief Engineer, Northern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 28th November 1862, No. 494:—

SIR,

1 Letter from the Acting District Engineer, Godavery No. 900, dated 18th November 1862.
1 Estimate.
1 Plan.

1. I have the honor to forward an estimate amounting to 11,868 Rupees for repairing and strengthening the culverts in the high level Ellore Canal, the injuries to which were reported to Government by this Office on the 21st August last, vide Endorsement No. 379/G383.

2. The Supplemental Estimate for the completion of this Canal, promised by Major Stoddard, has been received, but before submitting it to Government it is necessary that I should obtain further information on the whole project which I have applied for.

3. But pending the receipt of this I request that sanction may be accorded at once to the present estimate, the works for which it provides being strictly of the nature of repairs and for the prevention of further damage and probable loss of revenue.

4. The expense of this work will be met from the General Funds of the Godavery District for the current and coming year.

No. 381. ORDER THEREON, 19th December 1862, No. 3,046.

Sanctioned from the funds referred to in paragraph 4.
