No. 424. Read the following Memorandum from the Deputy Chief Engineer, Northern Circle, dated Chepauk, 4th December 1862, No. 498 :—

Read the following letter from Captain C. G. PHILIPPS, Acting District Engineer of Ganjam, to Lieutenant-Colonel S. O. E. LUDLOW, R. E., Deputy Chief Engineer, Northern Circle, dated Berhampore, 19th November 1862, No. 264.

SIR,

1. I have the honor to acknowledge the receipt of the Order of Government No. 2,528, dated 23rd ultimo, communicated with your Memorandum No. 348, of 28th of the same month, and in reply to state, that Captain Harington derived his information regarding the Revenue dependent on the Julmoor Channel from Mr. Thornhill, then Principal Assistant Collector, whose report is dated 14th February 1859.

2. This Officer gives the "present assessment" as Rupees 19,000, and "increase at 3 per cent.," Rupees 570.

3. The extent of land is not mentioned in this document, and appears to have been given by the Tahsíldár to Mr. Sub-Engineer Colquhoun, who also states that about 400 Acres of waste land exists, which may be cultivated.

4. The estimate amo unted to Rupees 6,820, of which sum Rupees 15-2-1 remained unspent. The work was fully completed, and on a recent inspection I found it in admirable order, affording constant and perfect irrigation to the lands under its influence.
