SIR,

I have received your letter* forwarding an estimate for certain works necessary at the new Salt platform at Homes' Gardens. This estimate was specially called for by me when Mr. Kennedy met me at the spot to arrange what was to be done, and as Goverument are anxious that the sale of Salt should commence as quickly as possible, I beg to state that money will be available to carry out the estimate, in anticipation of the usual formal sanction; so that I would urge on you the necessity of at once entering on the work, in order that the Kacheri and Guard Houses may be as finished as possible by the time the conveyance of the Salt to the platform commences, and which will be in a very weeks.
