Proceedings of the Madras Government, Public Works Department, 23rd December 1862.

No. 443. Read the following letter from Captain C. V. WILKIESON, R. E., Acting Deputy Chief Engineer, Central Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 2nd December 1862, No. 204:—

1 Abstract estimate for improving bank of Pappentangle
1 Do. for revetting bund of do.
1 Do. for constructing sluice to do.
1 Plan for sluice.
1 Specification do.
1 Abstract estimate for repairing Aluthur supply channel.
1 Do. for repairing bank of do.
1 Do. for repairing Telingi spring channel.
1 Revenue statement for the above.

SIR,

1. I have the honor to forward for the approval and sanction of Government six estimates amounting in the aggregate to Rupees 3,410, for repairing and improving works of irrigation in the North Arcot District as follows:—

2. *Pappen tangle Tank.*

	Rs.	
Improving the bank...	660	
Revetting do.	250	
Constructing a sluice	350	
		1,260

3. This tank is stated to be very much out of order, and the sluice must be rebuilt, no repairs have been executed to this tank for many years.

4. *Aluthur Tank.*

	Rs.	
Clearing out and repairing the supplying channel.	1,400	
Repairing the bank	500	
		1,900

Lands assessed at Rupees 425 under this tank are uncultivated owing to the supplying channel not having been cleared out during the past ten years, the bank is also in need of repairs.

5. *Telingi Spring Channel.*

Repairing the channel 250

which has not been cleared out since 1855.

6. As the proposed expenditure in each case is more than four times the revenue derived from the work, these estimates are submitted for sanction with reference to paragraph 2, Section 1, Chapter XXIV of the New Code.

7. The expenditure can be defrayed from the allotment for the repair of works of irrigation in the North Arcot District during the current official year.

8. The above works are approved of by the Collector.

No. 444. ORDER THEREON, 23rd December 1862, No. 3,077.

1. Sanctioned from the funds proposed.

2. It does not appear from the foregoing letter whether any written agreements have been taken from the ryots to secure the increase of revenue expected from the repair of the tanks specified therein. If not, the District Engineer should be requested to address the Revenue authorities with a view to having them taken.

(Signed.) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
