Proceedings of the Madras Government, Public Works Department, 28th February 1862.

No. 448. Read the following Proceedings of the Madras Government in the Military Department, dated 25th February 1862, No. 714:—

Approving of the Estimate for renewing the thatch roof over the Bombproof portion of the European Infantry Barracks at Trichinopoly. } (Vide Military Proceedings, 25th February 1862, Nos. 534-535.)

No. 449. ORDER THEREON, 28th February 1862, No. 329.

Communicated to the Deputy Chief Engineer, Southern Circle, for information and guidance.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.

MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Deputy Chief Engineer Southern Circle Chepauk, 8th February 1862, *No.* 10,384 ; *to the Chief Engineer and Secretary to Government, Public Works Department, Fort Saint George.*

I have the honor to forward, for submission to Government, a Plan, Specification and Estimate amounting, after correction, to Rupees 1,370 for renewing the thatch roof over the Bombproof portion of the European Infantry Barracks at Trichinopoly, countersigned by the Officer Commanding the Southern Division, and approved* by His Excellency the Commander-in-Chief.

Enclosures 5.

1 *Letter from District Engineer, No.* 1562, *dated* 18*th January* 1862.
1 *Memorandum from Quarter Master General, No.* 255, *dated* 28*th January* 1862.
1 *Specification.*
1 *Plan.*
1 *Abstract Estimate.*

* *No.* 255, *dated* 28*th January* 1862.

2. Provision is made in the accompanying Estimate for putting up a Pandal of Bamboo and Cocoanut leaves over certain portions of the tiled European Infantry Barracks, for covering the Bombproof portion, and for extending the Pandal six feet on either side of the building with the same material as shewn in the Plan herewith forwarded. The Estimate also provides for the renewal of the Teakwood uprights to be fixed on the top of the Verandah Pillars, and for the necessary repairs to the masonry Pillars.

3. As General Budd considered the work urgently required for the health of the Troops, and as he was particularly desirous that it may be commenced without delay and completed by the 1st of March next, the District Engineer of Trichinopoly has been authorised to prepare the necessary materials for the same in anticipation of the sanction of Government, which, I trust will meet with approval.

4. The Estimate has been examined and corrected in this Office. The rates given in it are those obtaining in the Trichinopoly District, and are not more than that absolutely necessary to carry out the proposed work. I request therefore that you will be good enough to obtain the early sanction of Government thereto, the amount, *viz.*, Rupees 1,370, to be defrayed from the general funds placed at the disposal of the District Engineer for expenditure during the current official year, as the sum allotted for repairs to the Military Buildings in that District has been nearly expended.

ORDER, No. 714, *25th February* 1862.

Approved for immediate execution.
