*Proceedings of the Madras Government, Public Works Department,
1st March 1862.*

No. 1. Read the following Endorsement of the Acting Deputy Chief Engineer, Northern Circle, dated Chepauk, 15th February 1862, No. 81.

Read the following letter from Major SHAW STEWART, Acting District Engineer Vizagapatam, to the Deputy Chief Engineer, Northern Circle, dated Camp at Soguru, 21st January 1862, No. 1,175:—

Sir,

* No. 8,967, 4th January 1862.

As requested in paragraph 2 of your communication* as per margin, I have the honor to state that I consider it necessary that the increased maintenance grant, for the Chittavalsa and Bimlipatam road, of Rupees 1,100, or Rupees 250 per mile, should be sanctioned for the year 1862-63. If the road had remained in the same condition as it was when the estimate was framed, I think the previous allowance of Rupees 663, or Rupees 150 per mile, would have sufficed. The heavy rains during November have, however, very seriously injured the road; and, under these circumstances, I request that the increased allowance of Rupees 1,100 may be granted for expenditure during the coming year.

1 Original letter No. 1,175, dated 21st January 1862.

Submitted to Government with reference to the concluding part of their Proceedings, No. 2,370, dated 24th December 1861.

(Signed) J. OUCHTERLONY, Lieut.-Colonel,
Acting Deputy Chief Engineer, Northern Circle.

No. 2. ORDER THEREON, 1st March 1862, No. 334.

Under the explanation afforded the Government sanction the increased maintenance allowance of Rupees 1,100 entered in the Budget for 1862-63 for the road between Chittavalsa and Bimlipatam in the Vizagapatam District.
