Proceedings of the Madras Government, Revenue Department, 17th February 1862.

No. 356. Read the following Proceedings of the Board of Revenue, dated 7th February 1862, No. 870 :—

Read the following letter from W. FISHER, Esq., Collector of North Canara, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Halliyal, 1st February 1862, No. 10.

SIR,

1. Mr. Maxwell, an agent of Messrs. Nicol & Co., Bombay, has applied to me for a plot of ground on one of the hills of Beitkal for the purpose of building a residence thereon.

2. I know the ground applied for, and believe that there is no objection to its being made over to the applicant on such terms as Government may order; but I have sent the plan furnished by Mr. Maxwell to Colonel Walker, in order to ascertain that the site will not be required for public purposes, and that a grant of it will not interfere with the erection of buildings on a site immediately below, which there was some idea of reserving for an official residence or a public bungalow.

3. My object in addressing the Board at this moment, is to ascertain whether the ground applied for may be granted on the usual terms, or whether it is imperative that all building sites at Beitkal, whether for private residences or commercial buildings, &c., &c., should be put up to public competition.

4. On receipt of the plan from Colonel Walker, it will be forwarded with Mr. Maxwell's application. In the mean time, I have the honor to request that the question now raised may be considered with a view to the grant being obtained in the usual course, or the plan being lithographed and published in order to the site being put up to auction with those already marked out in the Baad village.

Submitted for the orders of Government.
