Proceedings of the Madras Government, Public Works Department, 3rd March 1862.

No. 13. Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer, Northern Circle, to Lieutenant-Colonel W. H. HORSLEY, Chief Engineer and Secretary to Government, Department Public Works, dated Chepauk, 20th February 1862, No. 120:—

SIR,

Rupees	41	1	7

1. I have the honor to submit herewith for sanction two Contingent Bills, amounting together to Rupees 41-1-7, for two Pigeon Hole cases provided for the offices of two of the Ranges of the Nellore District.

1 Letter, dated 6th August 1861, No. 1,369, with three accompaniments.
1 Proceeding to District Engineer Nellore, dated 30th August 1861, No. 4,460.
1 Letter from District Engineer, No. 272, dated 10th February 1862.

2. It appears from the correspondence which accompanies, that these articles were ordered without proper precaution having been taken as to the competency of the authority of the Officers who required them; but as it is clear that they were required for the public service, I beg to recommend that the charge for their supply be allowed.

3. Lieutenant Marshall has, it would appear, been already made to pay for the cup-board ordered by him, but as the two cases are similar, Government will doubtless desire to treat them alike and to direct a refund of the amount, the price of the furniture being at the same time brought upon the office inventory.

No. 14. ORDER THEREON, 3rd March 1862, No. 340.

Under the circumstances represented the Government sanction the Contingent Bills, submitted with this letter, amounting together to Rupees 41-1-7.
