Proceedings of the Madras Government, Public Works Department, 3rd March 1862.

No. 22. Read the following letter from Lieutenant-Colonel J. CARPENDALE, Acting Deputy Chief Engineer, Central Circle, to Lieutenant-Colonel W. H. HORSLEY, Chief Engineer and Secretary to Government, Public Works Department, dated Chepauk, 20th February 1862, No. 10,788 :—

SIR,

1 Letter from the District Engineer Bellary, No. 419, dated 22nd January 1862, with one enclosure.
1 Do. No. 439, dated 10th February 1862.

1. I have the honor to forward two letters, as per margin, received from the District Engineer Bellary, reporting the robbery of a brass pot and a brass basin the property of Government, valued at Rupees 3-12-0.

2. The circumstance was brought to the notice of the Sub Magistrate of Bellary, but no trace has been found of the stolen articles, I therefore request that authority may be granted to the District Engineer to re-place these articles, charging the value in his monthly Contingent Bill for Office Establishment.

No. 23. ORDER THEREON, 3rd March 1862, No. 345.

The Government sanction the re-placement of the articles reported to have been stolen from one of the Lascars attached to the Office of the District Engineer Bellary. There appears, however, to have been great delay in reporting the circumstance to the Deputy Chief Engineer.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.
