*Proceedings of the Madras Government, Revenue Department,
9th January 1862.*

Read the following papers :—

No. 67. Proceedings of the Board of Revenue, dated 20th November 1861, No. 6,406.

Read Proceedings of the Madras Government, dated 12th November 1861, No. 2,155, Revenue Department, referring Proceedings of the Supreme Government, 5th October 1861, No. 12,522, Financial Department, forwarding copy of a Petition from certain Traders in Tobacco in Calcutta, regarding the duty on imported Tobacco, and requesting the Board to take the Petition into consideration in submitting the report called for on the subject of the duty on Tobacco.

(In Cons. 13th November 1861, No. 7,229.)

The Board observe that their report on the subject of the Import duty on Tobacco has already been submitted to Government, and that the Petition communicated to them with the above Proceedings, merely prays that the holders of large Stocks of Tobacco imported at the higher duty, may not be endamaged by any sudden reduction of the rate. The Acting Collector of Sea Customs will be requested to forward a Statement showing the quantities of Tobacco distinguishing manufactured and unmanufactured, imported under the higher rates of duty since the passing of the Act, and the dates of import.

Ordered to be submitted for the information of Government in continuation of the Board's Proceedings, dated 9th and 20th November 1861, Nos. 6,156, and 6,406, respectively. It will be observed that the whole amount of Foreign Tobacco, imported since 28th February 1860, is but trifling.

No. 69. Telegram from the Financial Secretary Calcutta, to the Secretary to the Government of Fort Saint George, dated 27th December 1861.

Please refer to my letters number eleven thousand five hundred and thirty-five; twelve thousand five hundred and twenty-two; and thirteen thousand nine hundred and six, of 18th instant, 5th October and 27th ultimo and sixth, the report therein called for.

Ordered that the following letter be despatched:—

No. 70. From C. G. MASTER, Esq., Deputy Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, dated 9th January 1862, No. 35:—

1. With reference to your letter of the 18th September 1861, No. 11,535, I am directed to state that the consumption of American Tobacco in this Presidency is small in comparison with that in Bengal. Small as it is, however, it has almost ceased since the duty was raised in 1860, the imports having been lbs. 59,384 in 1858-59 when the duty was chiefly 5 per cent., 23,402 lbs. in 1859-60 when the duty was 20 per cent. *ad valorem*, and only 1,049 lbs. in 1860-61, when the uniform duty of 1 Rupee per seer was imposed. In the current year there has as yet been no importation.

2. The fall from 59,000 to 23,000 lbs. when the duty was raised from 5 to 20 per cent., shows that the substitution of the latter rate would not have the effect of restoring the trade to its former condition. The Board of Revenue and Collector of Sea Customs at Madras consider an *ad valorem* duty of 10 per cent. quite as much as the article will bear, and in this view the Government concur, so far as the interests of this Presidency alone are concerned.
