Proceedings of the Madras Government, Revenue Department, 25th February 1862.

No. 499. Read the following Proceedings of the Board of Revenue, dated 24th February 1862, No. 1,293 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Tinnevelly, 18th February 1862, No. 71.

SIR,

1. Referring to my letter of the 17th December 1861, No. 567, stating that I did not intend to recommend the employment of an European Medical man this year, at the Pearl Fishery, as was done last year, when Dr. Reed was engaged on a salary of 10 Rupees a day, I still think it necessary that I should be empowered should Cholera unfortunately break out, to call on the Zillah Surgeon to proceed to Tuticorin, the Medical Officer attached to the 39th Regiment which will have arrived at Palamcottah by that time, taking temporary charge of the station.

2. The Civil and Military Medical Officers at Palamcottah, frequently relieve each other, in this way.

3. I beg to request that sanction to this proposition may be accorded to me by telegraph.

——

Ordered to be submitted for the sanction of Government, which it is requested may be conveyed to the Collector by telegraph.

(A true Copy and Extract.)

(Signed W. HUDLESTON, *Secretary.*
