Proceedings of the Madras Government, Revenue Department, 28th February 1862.

No. 544. Read the following letter from W. HUDLESTON, Esq., Secretary to the Civil Fund, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 13th February 1862, No. 55 :—

SIR,

1. I am directed by the Managers of the Madras Civil Service Annuity Fund, to acknowledge the receipt of the Government Proceedings, dated 8th February 1862, No. 235, Revenue Department, and to state that the Sub-Treasurer appears to be under some mistake as regards their having agreed to the conditions laid down by the Government of India in reference to the Assessment of Income Tax on the Income of the Fund or on payments made on its account, inasmuch as those conditions have only now for the first time been communicated to them.

2. The Managers have, however, not the slightest objection to furnish the list of the individual recipient of pensions in this country, who are but two in number, Messrs. Cockburn and Underwood. But the pensions of many gentlemen in England are drawn by their Agents in this country, and the Managers would wish to be informed whether it is desired that those should be included in the list.

No. 545. ORDER THEREON, 28th February 1862, No. 434.

1. Communicated, with reference to the order quoted by the Board of Revenue, to the Sub-Treasurer, who will observe that the Managers of the Madras Civil Service Fund had not, as he supposed, agreed to the conditions laid down by the Government of India.

2. As regards the query contained in the second paragraph of the foregoing letter, the Government observe that the course to be pursued in such cases is explained in Mr. C. H. Lushington's letter recorded in G. O. 21st January 1862, No. 84, which has already been communicated to the Board. A further reference, however, has been made to Calcutta on the subject of exempting from Income Tax annuities paid in India to the Agents of an Annuitant for remittance to him.

Deputy Secretary to Government.
